03 - Order files

Description	Test case	Result	Comment
Order the list of the attached files at the issue to prepare the export	As a Jira user, In the display screen of an issue, at the middle right, click on the icons ⌃ ↑ ↓ ⌄ to order files from top to down or positioning between the files	When you click on the icon ⌃ : the file will be positioned at the top of the list When you click on the icon ⌄ : the file will be positioned at the bottom of the list When you click on the icon ↑ : the file will go up from a place When you click on the icon ↓ : the file will go down from a place	Changing the order of files has no impact on the order of attached files to the Jira issue, it's just a way to define the processing order of the export of files by our plugin
